	Participant 1	Participant 2 (if in pairs)
Name		
ID number		
Institution		
Email		
Tel / Cell number		
Project Title		

This competition is open to all registered students of architecture in the Southern African Development Community enrolled at a tertiary institution at the third year level. Each institution is to select a maximum of two entries. This form must be stamped by the students' institution (by the relevant School or Faculty) or signed by a representative of the School or Faculty at the bottom of this form. In doing so, the institution verifies that the participating students are the ones selected to participate and are currently enrolled at that institution.

The stamped registration form must be presented upon submission of the work at the AZA event. Students should also bring a digital copy of their A1 display boards saved as a PDF, either on a CD/DVD or USB drive (which will be returned upon submission). A submission area will be set up at the entrance to the AZA conference on the 31st of August, between 16h00 and 18h00. All entries must be received by 18h00 to be eligible, unless alternative means of submission are coordinated in advance.

I/we hereby declare that all work submitted herein is completely of my/our own doing.
