SOUTH AFRICAN COUNCIL
for the
ARCHITECTURAL PROFESSION

NATIONAL BUREAU OF
NHBRC
REGISTRATION COUNCIL

PROGRAMME

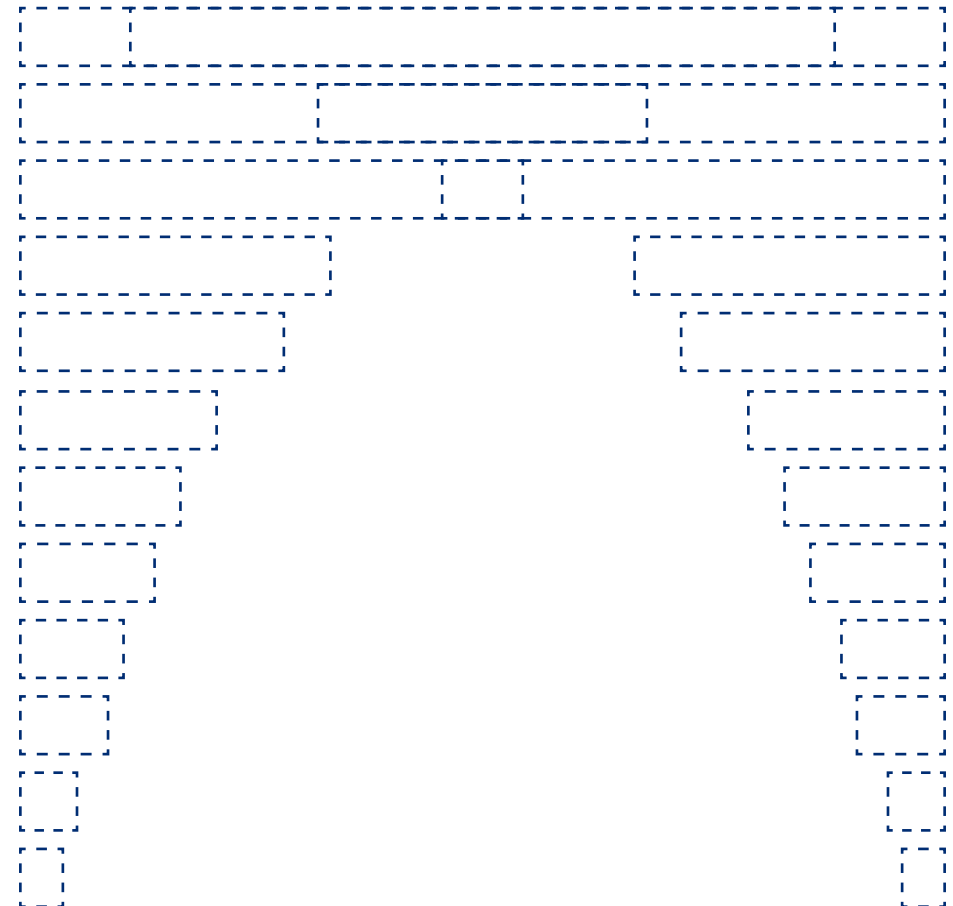

Thursday 1 Sept

Friday 2 Sept

Saturday 3 Sept

AZA16's programme is structured as a series of keynote lectures interspersed with parallel sessions where delegates may typically choose between two design-orientated sessions and one professional practice session. Parallel sessions incorporate two or more speakers in 30min slots followed by a 15min chaired question & discussion session.

The longer-than-usual breakaway sessions are carefully programmed with creative activities, presentations, exhibitions and performances giving delegates the maximum opportunity to interact with speakers informally. Most activities take place in and around OLS.

Thursday 1 Sept

7.30 - 8.30am

Registration | Coffee & conversation

OLS surrounds

Yoga bring your own mat 7.45 - 8.15am *OLS rooftop off ground level*
Origami/ sketching/ modelmaking with conference speakers *OLS concourse*

Braamfontein West - New Council Chambers, South Point Properties, WWF

Or, visit: JOZI BOOK FAIR, West Science Stadium

#GOODBYE #AZA

“Scale is not just about what space is available. It is so much more: how to design a dwelling unit that repeats over twenty floors; how to mediate the experience of individual visitors at a hotel or conference with the logistics of food chains; how to insert a tiny, exquisite narrative into a vast cultural landscape; how to make an urban gesture that helps to humanise a city of cars and taxis; and how to place the informal in the formal, and the formal in the informal.”

www.architectureza.org
